

## Project Manager

Perscio, LLC is seeking qualified Project Managers as it grows and continues to bring on new clients. Applying Project Managers must have at least 10 years of professional experience along with a history of routinely interacting with Fortune 500 companies.

### Position Requirements

Applicants should have 7+ years experience directly in project management with skills in:

- Managing tasks, deliverables, and meeting deadline
- Managing client expectations
- Communication and collaboration

Ideally, we are looking for project experience in the areas of:

- Finance
- IT
- Business Management

Lastly, applicants must be willing to travel as we work with clients on a national scale.

Please submit applications to:
